Dear Brother Lunt,

Thank you so much for taking the time to write and sharing a bit of your family history. The children's book is darling and what a beautiful legacy your grandmother Maggie left for you and your family.

The Cedar tree of Lebanon, which you are referring to at the Salt Lake Temple Square, will not be removed. The plans are to preserve the beautiful tree and keep it there.

Your concern and desire to preserve a bit of your family history is commendable and appreciated. May Heavenly Father continue to bless you and your family for generations to come.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Andrew Kirby". The signature is fluid and cursive, with a large loop at the end.
